# INVT HMI

## VS-043QE

- Display size & Resolution : 4.3 inch & 480*272
- Backlight Type: LED backlight
- Screen Material : ITO
- Colour Depth : 24 bits
- Color: 16.77 million true colors
- Bright: 400 cd/㎡
- Touch panel: 4-wire high accuracy touch screen
- Backlight life: 20000 hours
- CPU : Cortex-A7 1Ghz(dual core)
- Memory & Flash : 128MB DD3 & 128MB Flash
- Serial interface COM1: RS232
- Serial interface COM2: RS485/422
- Ethernet : Not Support
- USB data transfer port : USB A Port (Pen drive)
- USB download port : USB B port
- Rated voltage : DC12V~24V ±15%
- Rated power : 4 W
- Operating temperature : -20~55℃
- Operating humidity : 5~95%RH (no condensation)
- Compatibility: Compliant with FCC
- CE certification: Complies with EN55032 and EN55035 standards
- Dimension (mm) : 139*86*31
- Mounting dimension (mm) : 132*80
- Weight – 0.2 Kg
- Supports most of the PLCs like Delta ,Mitsubishi, Omron, AB, Siemens, ABB, Xinje etc.,
